Color:

Logo: Minimum Size Standards

Screen: 75 pixels/.75 inches square

Print: 50 pixels/.50 inches square

If your publication dimensions won't allow the minimum print size, please contact Rita Whitney at 717-812-9255 for help in designing the right size logo for your needs.

Logo: Unacceptable Usage

There are a few variations of the logo that should never be used.

If using the classic logo, do not use the logo acronym by itself. The acronym must always appear with the Cultural Alliance and, except in cases previously defined, with the brand statement.

If printing the Cultural Alliance logo on a colored background, please use the transparent EPS or JPEG version of the logo that removes the white background. Do not place the logo on a background color with insufficient contrast or against a pattern that compromises legibility. If you need a reverse option of the logo in white to stand out against a dark background, please contact Kelley Gibson at 717-812-9255.

Note: never attempt to redraw or rescale the elements of the Cultural Alliance logo or add other graphics or pictures to it. Also, do not attempt to remove any of the graphic elements of the Cultural Alliance logo to use on their own.

Name: Unacceptable Usage

Our organization name should always be listed as; “the Cultural Alliance of York County.” After the first full listing of the name, subsequent listings in the same written document can refer to us as “the Cultural Alliance.”

Never list our organization as The Cultural Alliance, Alliance, or CA.
