

Partner: GREATER YORK CENTER FOR DANCE EDUCATION

The 2018 grant review panel offers the following comments after reviewing your application and hearing your presentation at our meeting:

The panel commends the leadership of Greater York Dance for their strong partnership and participation in the cultural sector and with the Cultural Alliance campaign.

The panel also appreciates how the leadership has taken proactive steps to address comments from last year's panel review, and brought in expertise in marketing, development, and finances to improve the organization.

The panel is concerned about succession planning of the organization. There isn't a clear plan in place for transition of leadership of the organization. The panel encourages Greater York Dance to work to recruit a more professional board that can assist with leadership and fundraising.
