YORK JUNIOR SYMPHONY ORCHESTRA

The 2018 grant review panel offers the following comments after reviewing your application and hearing your presentation at our meeting:

The panel appreciates the level of support that the YJSO gives to the Cultural Alliance and the cultural sector.

The panel is concerned about the future board leadership and orchestra director with Amy Tomassone leaving as board President and Kathy Yeater's impending retirement. The panel is encouraged at the passion and leadership of Pat O'Brien, and looks forward to her taking the leadership role.

The panel encourages the YJSO to look into starting an internship program with local college students, including York College and Penn State York.
